FINAL JUDGMENT

On September 9, 2013, the Court granted Defendant Manhattan Nursing & Rehabilitation Center's Motion for Summary Judgment [Docket No. 31], in an Order [Docket No. 52], adopted fully herein by reference, which disposes of the case's merits in favor of Manhattan Nursing & Rehabilitation Center. A Final Judgment is now appropriate.

Therefore, judgment is rendered in favor of Manhattan Nursing & Rehabilitation Center, and this matter is dismissed with prejudice.

SO ORDERED, this the 9th day of September, 2013.
